Christine and Adriana. This is a bit of a strange place to do a pictorial, let alone with two girls. But for the sake of sexual justice, we decided to let the prisoners play. After all, they were sentenced to sex behind bars. Our visiting time is running out so we have to pack it up and head out. (We slipped them a strap on past the guards!)

MEDICAL PRACTICE

Right after high school, I went to work as a receptionist for “Dr. Fowler” (not his real name)—I call him Ken. He flirts with me all the time, patting my rear when I’m standing at the file cabinet and telling me how he’d like to examine me some time. Believe me, I’ve wanted to play doctor with him for months!

Finally, last Friday we did more than the bills and reports while we were together.

He was in the examining room alone, and I was sitting at my desk with my hand stuck down my panties, fingering my clit. I’d broken up with my boyfriend just the week before, and I was definitely in need of some attention to my throbbing, unsatisfied pussy. Finally things got so bad, and I got so wet, that I went behind the file cabinet and slipped off my panties. Then I walked right up to Ken with my pussy making loud, wet, squishy noises under my skirt. I know I could smell the aroma of my juices, too, and I’m sure Ken didn’t miss it either.

When he looked at me, I was sure he could tell what I’d been doing and what my state of need was. The bulge in his pants got enormous, and there was this weird glow in his eyes. I’d seen it enough times

to know that he was suffering from a bad case of the hornies. Maybe it was contagious!

I unzipped him, and out jumped a hugely swollen pole. “Did I ever tell you about this...ah...condition I have?” he asked, guiding my hand to his bloated shaft. “It’s this strange swelling in my private parts.”

“Mmmm. I can see what you mean.” I took it in my hand and began rubbing the shaft up and down. “This looks like a case of cockus gigantus. I can see that you must be suffering horribly.”

He lunged forward, slapping the length of his hard shaft against my lower lip

“I am. And if I don’t get some relief soon, I’m not sure what I’ll do.” He reached over and unbuttoned my top and pulled my tits out of my bra. He started breathing really hard when his nasty fingers discovered that I wasn’t wearing panties. He slid a finger inside my pussy and wiggled it, stirring my juices.

“Well, you’re way lucky,” I joked. “There’s this treatment I can perform, involving lots of saliva, suction, and pressure. It’s a proven remedy, even though it’s not covered by Blue Cross. Want me to give it a try?” As I talked, I was rubbing his crown with my thumb, spreading his oozing goo and hitting all the nerves on his corona. His hard-on twitched with urgent need. His huge rod couldn’t have been any harder, and the veins were popping out all along it. His cockhead kept drooling pre-cum. Ken had his arm around my waist and was nuzzling his face against me.

Ken opened his legs, and I took his cock in my hand and licked it up and down, finally ending up at the tip and sucking the end of it. At the same time, I started working his wrinkled ballsac with my hand, squeezing and toying with it.

Ken wasn’t into a soft, sultry blow-job the way some of my boyfriends had been. He lunged forward, slapping the length of his hard shaft against my lower lip and shoving himself down my throat in one push. A tingle went through me as a spurt of hot pre-cum blazed down my gullet, drizzling down to my guts. My tongue scrambled to get a firm hold on his shaft as I gulped his pole down greedily. My pulse quickened as he started to come, jerking around in his chair and groaning. His cock pulsed and his balls tightened up, and he shot off as I eagerly gulped his load.

Though his cockhead was wedged pretty far down my throat, I still caught a faint taste of the salty load he delivered. He kept quivering and spasming until he was spent. As I stood up, he sat up and put his arms around me and pulled me to him for a

big, very wet kiss. I was sure he tasted himself on my tongue, but that just seemed to turn him on more.

He slipped his hand under my short skirt, re-investigating my crotch, which was now more drenched than ever. He walked to the examining table, picked me up, and placed me on it, my skirt high over my hips. I threw off my shoes as he positioned my feet in the stirrups. I was spread wide open, and my rigid clit was right there, standing straight up. Ken kissed my belly and waist and then my inner thighs as he put his fingers on my inner lips and teased them, moved his fingers into my juicy hole, and wrapped them around my waiting nub.

He grasped it between his fingers and stroked it, then put his mouth down and began licking every inch of me. I was ready to let go in seconds. As Ken nibbled and sucked, I jerked and contracted. I don't think I've ever been so aroused or satisfied. Then he took my hot bud between his lips and started polishing it with the tip of his tongue, buzzing the tender pink flesh while I gasped, screamed, and clutched at his hair.

My feet jerked and twitched in the stirrups while he bore down on me, pumping my clit just like I'd done to his cock. He buried his face into my slick slit till it grew shiny with a generous coating of my heavily flowing juices. His tongue molested my clit delightfully.

When I came, I thrust my pussy up at him so hard it felt like I might swallow his head up into my pussy-hole. Ken laughed and pulled back, then crawled up on the table and straddled me. I begged him to give me his cock again, and he laughed when he hunched his hips forward into my face.

"Open wide and say ahhhh," he joked, then plunged his fleshy probe back into me. It was soft now, though it still radiated heat and tasted of cum.

A few nibbles and licks later, he was as hard and ready as before. "Whoa," I said, pulling my head back and pretending to examine him, "I think you need another treatment right away!"

"This is a particularly persistent condition I have. Matter of fact, these treatments may have to be on a fairly regular basis before I get any real relief," he said.

Then he was between my legs and in me. His hips hunched up hard against me, and the fat tip of his cock slammed into my pussy with such force that my back lifted right off the table.

I have to admit, whatever they taught him about women's bodies in med school sure paid off. His cock-base rubbed my clit so hot and hard that I was getting off in 10 seconds flat. He was right with me, blasting my pussy with a load of cum that filled me so full I thought it might blow through my nose, ears, and mouth.

Needless to say, Ken's condition hasn't cleared up, so every Friday afternoon we schedule another session on the table. He's got a real bad case.

I CAME FOR THE FUN

The doorbell was ringing and I was rushing to answer it. I had just finished showering and still had the towel wrapped around me as I opened the door. Standing on my stoop was my new neighbor Corrine. She had just moved into the neighborhood a few months ago and we had met several times before, but this was the first time that she had come over. She

had pretty, dirty blonde hair, blue eyes and was as tall as me. She also had D sized tits on a slim figure. If there was a definition for MILF with a picture, Corrine would definitely be it.

"Hello Corrine," I said surprised. "Hi," she said back. "Is there something I can do for you?" I asked. "I came for the fun," Corrine replied.

I had a confused look on my face because I had no idea what she was talking about. Corrine then had me close my eyes. I opened my eyes and saw Corrine standing there completely naked, her robe on the ground around her ankles.

"Holy shit!" I said surprised and shocked. "Like it? My ex paid for this body. Tits, chin, butt, but now I have no one to share it with." Corrine explained.

I had found her quite sexy ever since the time we first met at the community center shortly after she

moved here. So when I saw her nude for the first time, it was super hard to keep a straight face while trying not to get hard. “May I please come in if you don’t mind?” she asked in a almost shy voice. Fucking her would be a dream come true, I thought as she walked past me into my living room.

She made herself comfortable on the sofa and asked for a drink. I went to the kitchen and brought back a bottled iced tea. I handed it to her and sat on the chair next to the sofa. She started talking about her ex and moving out on him and trying to adjust to a new place. I nodded in agreement as she meandered until finally she blurts out to show her my cock – please.

“Drop your towel.” she says. I sat there dumb-

founded for a moment but decided to do as she asked. Why not? I did as she said; I dropped my towel and let her see my cock.

“It’s huge. I can’t believe how huge it is. That’s the biggest cock I have ever seen,” said Corrine. “Bet you get all the chicks to fuck you.” “Not really,” I replied. “I’m not much of a ladies’ man, I mean; I’ve had sex a few of times.”

She motioned to me to cover up again and we sat on the sofa for another hour, much more relaxed and more open in our conversation. I invited her to go to the pool with me since neither one of us had needed a swimsuit. She laughed and we went out back to the pool. I had a huge back yard, with a wooden fence for privacy around the whole yard. I ran into the pool first and jumped in, then Corrine. We both swam around awhile.

“I’ve never skinny dipped before. This feels great.” she says. “Same here,” I said. “It’s like a warm caress all over your naked body.” I added. “Like it when it touches your erection?” Corrine asks. I was shocked and embarrassed; I didn’t know what to say. Corrine moved toward to me. When she got to me, she kissed me. We started to make out and she grabbed my cock and gave it a slow stroke for every kiss. After making out for a few minutes, Corrine said, “Let’s go up to your room, I want you fuck the shit out of me.”

We got out of the pool, grabbed a towel to place on the bed and ran up to my room. Corrine placed the towel on my bed and got on top of it on her back. She smiled and said, “I want your hard cock inside me.” I got on top of Corrine and gave her a big kiss on the lips; I grabbed my hard cock and shoved it in her pussy.

I fucked her at a fast pace. We were both very horny but Corrine was even hornier. She was really screaming at the top of her lungs from the fucking I was giving her. I wanted to change positions, but was way too horny to stop, so I just kept going. Corrine just kept talking dirty to me about wanting to fuck me. She finally came, it was a huge one. I came a few seconds after, right into Corrine’s pussy. Corrine didn’t want me to pull out and cum, so I stayed in. I looked right into Corrine’s eyes as we were coming and gave me the biggest smile in the world. We cuddled each other until we fell asleep. It was the next day, as I woke up I found my Corrine already awake. She was sucking my cock. It felt fantastic. I propped myself up on my elbows to watch her work. She started at the tip with her tongue swirling around the head and moving down the shaft all the way to my balls. She watched me watch her the whole way down. Then she quickly pops up and takes it all in her mouth, again down to the base. I throw my head back in pleasure and give out a moan of approval.

She takes my hips and pulls me to go on my stomach. I do and then she pulls my hips up so that I’m on my knees with my butt slightly up in the air. I feel her wet tongue working its way between my buttcheeks and her hand sliding up and down my cock. She moves from my butthole to my balls and back again. She backs her face off my butt and replaces it with her fingers to stimulate my anus. She teases it with soft probes into it until she manages a whole finger inside. I moan and tighten around it and she pulls out.

She now slides herself under my cock and pulls my cock into her wide open mouth. She pulls my hips down so I begin fucking her mouth. She senses I’m about to cum and furiously massages my balls and sticks a finger in my butt. I climax and shoot like never before. She swallows every drop keeping my cock in her mouth until she knew I had emptied into it. Then she got up and went home.

Stranded

A Texas filly gets a hankering for a stranded female motorist

Out here in the Texas panhandle, it's hot and dusty in the summer, and last summer was no exception. Out here where I live and work, it sometimes seems there's nothing but me, tumbleweeds, rattlesnakes, and lizards. My business being on highway 40 does bring enough traffic to survive, though.

In late July I saw Justine coming. The road crests about a half mile from me. It's a long, very gradual, gently sloping hill, one you might not even notice at all.

I was on the porch of the building that houses my garage and living quarters when, through the shimmering heat rising from the road, I saw someone trudging along. I got out the binoculars for a better look. I inherited them, like my garages, from my father when he passed on.

The garage used to offer gas, but no more. The pumps out front are a throw-back to the Fifties. Now we just do repairs. But Justine was carrying a gas can when I saw her wearily walking along. She wore heels and a dress, a mid-thigh yellow print with red and blue flowers on it. She looked hot. Take that both ways. She was obviously suffering from the heat, yet she looked like a million bucks.

Entering the garage, she found me under my car. I wanted to look busy. She walked over and stood by my feet, and I clanked a screwdriver and a wrench against the tailpipe to make it sound like I was fixing something.

When I slid out, I got a great look up her dress. Her white cotton panties were soaked with sweat, and I could see her pussy. Like her hair, her pubes were a fiery red. The material of the panties was caught in the cleft of her pussy-lips,

giving that look you often see on girls in tight jeans.

"Can I help you?" I asked as I stood up. A sharp twinge of lust zinged through my pussy. I don't often get to be with another girl. And this one was fine.

"I need gas," she said in a defeated voice. The sun had beaten her down.

"I'm sorry," I said. "I don't have any here. And I don't have transportation. I have a friend in town, but he couldn't be here till about 10:30 this evening."

She looked ready to cry. "I can help you get comfortable," I offered.

Without explaining, I took her hand and led her through the garage into the back, where I live. There I have a living room, dining room, bathroom, guest room, kitchen, and back patio. I took her into the bathroom.

Without asking, I unzipped her dress and slid it over her shoulders. It fell to the floor in a heap. Excepting for her panties, she was naked. Her tits must have been C-cups, tipped with pink nipples and thick areolae. Again my pussy quivered a little.

"You do need a shower," I told her. Once more I took liberties. Dust had accumulated on her cleavage. Reaching up, I brushed it off, gently swiping my hands over her taut flesh.

"You are gorgeous," I told her. She blushed. The color nearly matched the sunburn on her calves and shins.

I let my hands drift a bit and lightly caressed her nipples. They hardened instantly. She swallowed hard. She was nervous.

"You've never felt a woman's touch before?" I asked.

She shook her head, No.

Slowly I touched her belly with my fingertips. My pussy was on fire. As I slowly traced my fingers up her belly, to cup the undersides of her breasts, I wanted to rip my shorts and blouse off. It had been a couple of months. One doesn't get laid too often out here in the middle of nowhere.

She gasped when I gently lifted her breasts. I could see her mind working. Should she or shouldn't she? It was clear to me that she had entertained the thought of being with another girl before. Now that the moment was at hand, she was probably struggling with something in her upbringing.

BLAIR-NTS-09

"Why don't you strip down and get in the shower," I suggested. "I'll get your clothes in the laundry and get you a cool drink."

She thought that a great idea and peeled off her soaking panties. I was floored. Being half indigenous and half Spanish, I am of a dark complexion, and the girls I've been with have been similar. I'd seen lily-white girls in sex mags before, but never in the flesh.

Her pussy was tinged pink. And it was a beauty! Fat, meaty lips, rounded perfectly, met to form a perfectly succulent crease. Her slit folds parted slightly at the top, where her clit was. And her clit was a hot pink thing, just peeking out at me. It seemed to call to me. "Nicole!" it beckoned. "Lick meeeee! Please lick meeeee!"

Reaching between her thighs, I touched that magnificent slit. It was wet, probably with sweat and maybe a little lust. I slid my finger up and pressed it to the tip of her clit. She gasped with the pleasure rushing through her.

I bent and grabbed her dress and panties. "I'll just put these in the washer," I said. "You start your shower, and I'll be back shortly."

Racing from the bathroom, I dropped her clothes in the washing machine, grabbed the phone, and called Larry. He lives in Dalhart. "Listen," I said. "We share most everything, right?"

He murmured an "Uh-huh."

"Well, tonight you get some gas out here." I explained the situation to him, telling him he could probably get some pussy too.

I like Larry. He's hung like a horse, and when I need a big cock, he's always there for me. I figured Justine would appreciate him too. But for now, she was mine.

I grabbed a six-pack of Sprite and a bottle of whiskey, glasses and ice, and dashed back to the bathroom. Justine was humming when I entered, so I knew she was feeling a lot better. I stripped quickly and pulled the plastic curtain back. When I stepped in, she smiled. I said, "I see you're feeling better."

"It isn't often a person finds a savior like you. Certainly not in Boston."

I grabbed the soap and turned her around. As I soaped her back, I explained that country folk are not like city folk. We have a heart and care for people in need, even strangers. When my hands reached her lower back, I slid my fingers into the crack of her sexy ass. My sun-darkened fingers were a delicious contrast to her milky-white cheeks.

Slowly I tickled the sensitive flesh inside her butt-crack, making her squirm a little. She leaned her head to the side and said, "You know, I've never done this before."

"That's okay," I said, bringing my hand between her thighs.

My breasts are smaller than hers. I wear a 34B. When she leaned back against me, they pressed firmly against her back. "Oooo, that's nice!" she cooed as I slipped a finger into her sopping pussy. Her legs parted a little, and I slipped a second finger into her. Slowly I pushed them knuckle-deep into her hot, fiery hole. Her pussy spasmed on my fingers, which I scissored inside her.

"Nnnnnnnn god, that's good," she moaned. I brought my other hand around to her front and slid it to her

mons. With my middle finger I firmly but slowly massaged her clit. I pressed down on it at the base of it and rocked the fingertip up and down.

"Oh Jesus Christ!" she shuddered. Her body jerked. I felt the tension of her lousy day erupt from her as she came on my hands.

When we were clean, I took her hand and led her into the living room. I had her sit on the sofa and went for some lotion. Next I carried our drinks back into the living room.

She was lounging seductively. Her legs were parted, revealing that exquisite pussy. She was leaning back, fondling her breasts. Although we hadn't begun to drink, she had a drunken look to her, and she was smiling warmly.

Handing her a drink, I knelt between her parted thighs. Uncapping the lotion, I scooped a couple of big dollops out and started to smear it into her thighs.

"Mmmmmmmmm, that feels good," she sighed, opening her legs farther.

"For someone who's never been with a woman before, you certainly are eager."

"I attended an all-girl college. You

can figure the rest. Let's just say I may be inexperienced but I'm hardly naive."

I didn't have to coax or seduce her. She was ready. I started kissing the muscular flesh of her inner thighs, working my way toward that delightful prize at their juncture.

My tongue lashed out with a hunger when I got there. It parted those breathtaking pussy-lips and darted into her wet, hot pink flesh. "Nn! fuck yes!" she grunted. Her hips came off the sofa, and she pushed her pussy at me, wanting more.

Feeling a ravenous hunger, I lapped at her pussy. My tongue repeatedly slashed through her pliant pussy-lips and tasted the raw lust there. With each stroke, I lapped up toward her clit and lightly danced the tip of my tongue over it.

Her pussy gushed and flowed, and I stayed there, lapping up her juices. When I looked up, she had both tits in one hand. First she sucked on one nipple. Then she sucked on the other. Each one swelled. The areolae looked like semi-ripened cherries, and she rolled those very sensitive cherries between her forefinger and thumb, teasing herself as I brought her off over and over again.

The problem was my neck. The

position was hard on it, and I developed a crimp in it. If not for that, I'd've gladly stayed in that same position all the rest of the evening.

When I did pull away, she slumped into the cushion of the sofa, gasping for breath. Sweat was flowing off her brow, and her chest glistened with it. Looking up at her was like looking up at a goddess. All shiny with sweat and sated from her orgasms, she looked every bit like she was in a dream.

When she caught her breath, she found me masturbating. I was on my knees, which were parted wide, and was slowly stroking my middle finger up and down the length of my slit. As it descended, I slid it into my pussy-hole and crooked the knuckle, pistoning the finger in and out of me.

"Oh no!" she gasped. "Let me do that for you!"

I was floored! It was her first time—I hadn't expected her to want to go down on me. She moved over on the sofa, and I joined her.

Leaning into a corner, I parted my legs wide. One went over the back, draped at the knee. My left foot went to the floor. Justine got on her knees on the floor and never hesitated. I guess she was more than curious. Thank you, ladies of Bryn Mawr!

She kissed my pussy first. I nearly came at the sight. Her white face and red hair between my dark reddish thighs was quite a sight. As her tongue lashed out at my aching clit, she thrust two fingers into my pussy.

It didn't take me long. Justine grabbed my clit with her lips and sucked firmly, and I felt it grow even longer. Before I could even moan with pleasure, I felt her teeth lightly grasp my clit. The sensation was a sharp, pinching delight that made me jerk. It was an electrical shock of hot pleasure. As she sucked, her teeth held my clit fast, and she danced the tip of her tongue over the tip of my aching clit.

While she performed this exquisite maneuver on me, she reamed my pussy with her two fingers. Taking my lead, she scissored them inside me, stroking against the sensitive flesh deep in my pussy.

I erupted like an atomic bomb! I felt my pussy spasm deeply over and over again as I drenched her hand and face with my juices. My hips bucked uncontrollably as she brought me off several times. When my clit couldn't take it any longer, I had to push her away.

She sat back with a smile on her face.

When we simmered down a little, we had a few drinks and talked. We had forgotten about her clothes. We sat there naked, giving each other little caresses and touches.

I told her about Larry, who owns a gas station in the nearest town. He couldn't get away until 10:00, but when he closed, he would be out with some gas for her. And until then, we were going to make it a memorable twosome. Not that she wouldn't like Larry! The man has cock for miles! When I added that he possesses 10 full inches and can fuck forever, she grinned. "I don't think spending the night here will be such a bad thing, then," she said.

I gave her my address and phone when she left the next morning. We've been in touch ever since. She had applied for a teaching job at the University of New Mexico at Albuquerque, and she got it. Now she spends all her holidays with me.
